SBC CHICAGO TELEPHONE DIRECTORY

The government pages in the SBC Chicago Directory are being revised and compiled for the new 2004 book. Attached is a copy of the most current SBC state government listings. If your agency, divisional, departmental, and individual names, addresses, and telephone numbers are correct, no response to this bulletin is needed.

However, if your agency needs to make any changes, additions, or deletions to its governmental page listings, please use a Telecommunications Service Request (TSR) to correct your listing. The TSR form is available on this website under the "Forms" heading. For changes to be included in the 2004 SBC Chicago directory, your completed TSR must be returned by September 10, 2004 to:

Central Management Services
